

Technical Data Sheet

DOMINANT PLUS Creeping Bentgrass Blend

Description:

Dominant Plus Creeping Bentgrass Blend is a reliable blend of beauty, functionality and durability for greens, tees and fairways. Dominant *Plus* combines three of the golf industry's most recognized bentgrass varieties –Brighton (SRX1120), Providence (SR 1019) and SR 1119. Dominant *Plus* has broad genetic diversity, superior adaptability and proven performance. Planting a blend of advanced bentgrasses will significantly improve the quality of any turf stand, whether on a new project or renovating an existing course.

Characteristics:

Features

- Broad genetic base
- Ultra-fine texture
- Dark Green Color
- Excellent seedling vigor
- Low in Thatch
- Cold, Salt and Heat tolerance

Benefits

- Increased Disease resistance
- Smooth, fast putting surfaces at any height
- Increased fertilizer efficiency
- Fast Establishing
- Lower mowing heights with less scalping
- Easy to maintain and keep in ideal conditions

Uses:

Excellent choice for greens, Tees and fairways of professional golf course superintendents

Seeding Rate:

New Turf: 1 – 1.5 pounds of per 1000 square feet (65 pounds per acre).
Overseeding: 2-3 pounds per 1000 square feet (45-90 pounds per acre).

Establishment:

Germination: 3 – 5 Days (6 – 10

First Mowing: Approximately 21 Days depending on usage.

First Limited Use: Approximately 6-8 weeks depending on conditions.

Adaptability & Care:

It is recommended that bentgrass be fertilized with 4 1/2 pounds of nitrogen per 1,000 square feet. An annual program would call for spring feeding of 1 1/2 pounds each in the spring, summer and early fall. Supplementary applications would be as color and growth dictate, but normally at a rate of no more than 1 pound per 1,000 square feet.

Quality Assurance:

Dominant Plus is a blend that is available from Stover Seed or an authorized dealer. The ingredients used in Dominant Plus are distributed by Stover Seed and represent the latest improvements in Turfgrass breeding and development. Accept no substitutions.

Ingredients & Specifications:

Dominant *Plus* combines three of the golf industry's most recognized bentgrass varieties – Brighton (SRX1120), Providence (SR 1019) and SR 1119.
